Sprint 2 Report: SocialHub 5/12/23

Actions to stop doing:
- **Stop overcommitting on task estimation:** Avoid setting unrealistic expectations and ensure that task estimates are more accurate to prevent unnecessary pressure and delays.

Actions to start doing:
- Add graphs to the front end portion of our dashboard so that users will be able to see their data
- Re-evaluate certain goals and functionalities that we want to implement: re-evaluate certain API feasibility

Actions to keep doing:
- Keep improving on the login page - improve on design, and add functionality to some buttons.
- Keep being organized - updating the trello page, standup meetings, etc.

Work completed:
- As a business owner, I want to be able to view analysts data about how certain posts are performing. [5 points]
- As a user I would like to see a nice landing page with information about company [3 points]

Work not completed:
- As a influencer i would like to be able to visualize my performance data with charts and graphs [5 points]
- [4]As a business owner, I want to be able to view overtime analytics about how my page is performing. [5 points]
-

Work completion rate:
- Completed 3 user story
